Follow Directions Below to Get Your License Key

Submitting the form below will create the Name/Key pair that must be used to activate your software.

1. If you have not already installed the latest version of the software for 2012, <u>download the software</u> and install on each computer for which you have purchased a license. Otherwise, go directly to step 2.
2. Run the software and select the Enter Key button in the Reminder window that appears. Copy the **Hardware Fingerprint shown in the Enter Key window (will be 8 characters of the form AAAA-AAAA)**, and paste it on this web page in the form below (there is a field for Hardware Fingerprint).
3. Finally, submit the completed form below by clicking the Submit button.

─All fields are required────────────────────

Order ID:	pps0lEJx [Lookup]
Hardware Fingerprint:	[_____] (will be 8 characters of the form AAAA-AAAA) See directions #2 above
First Name:	Arlo
Last Name:	Moehlenpah
Email:	moehlenpah@aol.com

[Submit]

To get your license Key you will need to enter the Hardware Finger print which will be given to you. It will be a combination of capital letters and numbers such as 3453-2B76. After filling out the above form then click on "Submit"

You will then be given a long license key of the form OKSMFZ-NX837P-YU634C-6179XF

You should then be able to download the software to your computer.
