Instructions for Playing the Speed Memory Game

After locating and opening the game

Your screen should look like the following:

You then select the Category (Beginner, Junior, Int Sr, or Exp Sr Division or Memorize-90) of the verses by clicking on the downward arrow

Beginner Division
Beginner Division
Junior Division
Int Sr Division
Exp Sr Division
Memorize-90

Then scroll down and select the Category and click on it.

Then Select the Verse to Study by clicking on the downward arrow and scrolling down to the verse.

2Ti3:16	-
Heb4:12a	A
Heb4:12b	=
2Ti3:16	P
2Pe1:21a	

Then click on the START button and start dragging down or clicking on the words in proper order

16	17 ?	18	19	20
21 ?	and the second			

When finished you will either get a please try again screen if you do not finish in the recommended time which is based on the number of words in the verse.

Or a congratulations screen if you do finish in the recommended time accompanied by an applause.

By clicking on the screen you can then try the same verse again or another verse by repeating the process.
